

1. K-LOVE is an excellent radio station which we receive in our area. K-LOVE is a radio station that I listen to many hours of every day, and it would be devastating if it were taken away. There are hundreds (probably thousands) of people in my area who listen to K-LOVE and are ministered to because of it. The station has been a vital part of our family as prayer requests can be called in or emailed. K-LOVE is an awesome station, with an awesome staff who provide a tremendous service for the Christian radio community. Don't replace K-LOVE with an LPFM broadcaster. That would be a HUGE mistake! The quality that K-LOVE offers is hard to match! Wherever we travel, it is great to be able to listen to a K-LOVE station in the area we happen to be traveling through. KEEP K-LOVE!
